

Times Tables

Our Numeracy focus this year has been to 'Learn Our Times Tables'. Please support your child during the summer holidays in practicing, memorizing and learning their times tables. Learning multiplication is an essential part of a child's education. Children who have mastered multiplication gain a solid foundation in mathematics that will help them throughout primary school, secondary school and beyond.

Children should know by the end of each year, the following times tables and corresponding division facts:

Year 2	x2 x5 x10
Year 3	x2 x3 x4 x5 x6 x10
Year 4	x2 x3 x4 x5 x6 x7 x8 x9 x10
Year 5	x2 x3 x4 x5 x6 x7 x8 x9 x10 (quickly)
Year 6	x2 x3 x4 x5 x6 x7 x8 x9 x10 x11 x12 (quickly)
